

Resignation - Exit Clearance Management - Employee

Last Updated by India HRSS KBA Manager (Comp)

I want to resign, how do I do it?

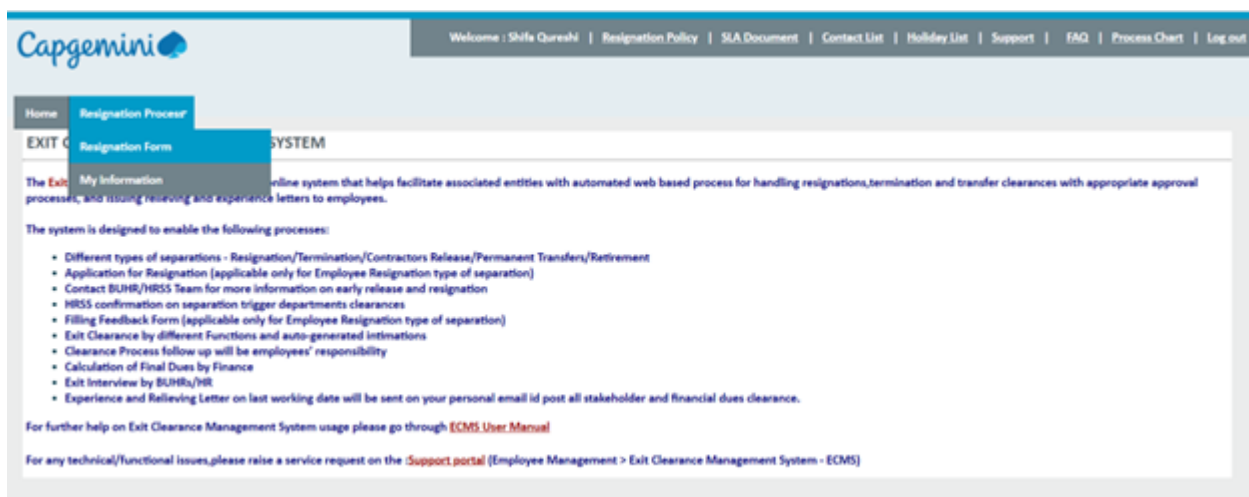

Exit is managed in a tool called ECMS (Exit Clearance Management System)

the path for the tool is - <https://ecms.fs.capgemini.com/>

Where should I submit my resignation in ECMS tool?

Please follow the path below to submit your resignation –

[ECMS](#) > Resignation Process > Resignation Form

What is the notice period once I have submitted my resignation?

As per the policy, you must serve 90 days of notice.

Who will approve my resignation?

Your People Manager System tagged in ECMS will have to approve your resignation.

Once approved, you will receive an automated mail from the ECMS tool.

What if my resignation is not approved by my People Manager?

If the resignation is not accepted by your People Manager, the resignation is auto approved in the system on the 15th day from the resignation date.
